

Appl. No. 10/789162

REMARKS

The following remarks are in response to the Office Action mailed on November 3, 2004. Upon entrance of the amendments set out above, Claims 46-62 remain pending in this application.

The sole rejection was a non-statutory double patenting rejection based on three parent applications. A terminal disclaimer directed to all three patents is enclosed.

Accordingly, in view of the above amendments and remarks, Applicants respectfully submit that the application should be allowed. The Examiner is invited to telephone the undersigned below if it will aid in the prosecution of this application.

Respectfully Submitted
